

Please Join us for a Screening of

who cares about Kelsey ?

Kelsey Carroll lived with homelessness, self-mutilation, abuse and ADHD. She was a likely high school dropout—until she encountered an education revolution that's about empowering, not overpowering, teens with emotional and behavioral disabilities.

Who Cares About Kelsey? is a powerful inclusion film that documents the life of a student with emotional and behavioral challenges focused around innovative, educational approaches that helped this student succeed while improving the overall school culture and climate.

Tuesday, May 21, 2013
